## CITY COUNCIL MEETS TONIGHT

There being no quorum present, the city council last night adjourned to meet tonight at 8 o'clock.

President Browning was detained from attending the meeting because of illness. Councilman Austin could not be there because of injuries sustained Sunday evening in an automobile accident, and Councilman Peery is in California.

Seven of the councilmen met in conference with the mayor in his office, but when they repaired to the council chamber to business, Councilman Dana and Wilson betook themselves elsewhere.

Seven constitutes a quorum to do business, but the voluntary absence of two councilmen who a few minutes before attended the conference, left only five members at the meeting. The councilmen present were Dickson, Barker, Humphris, Larson and Flygare. Councilman Dickson was elected president pro tem. It being then learned that Dana and Wilson were not present, Councilman Flygare moved to adjourn the meeting until this evening at 8 o'clock.

## WITNESSES IN THE WHITE SLAVE CASE

Captain of Police C. C. Brown and W. J. Dermody, manager of the Western Union here, were among the witnesses called to Salt Lake yesterday to testify before United States Commissioner Chas. Baldwin in the "white slave" case against Fred U. Baggs. It was the preliminary hearing and the action of the commissioner was not known at the time the Ogden witnesses left the court room.

It is alleged that Baggs was the secretary of a gang which has been operating extensively in the west. Information against Baggs was obtained by the Ogden police, who informed the United States authorities at the time the man left this city for San Francisco. He was arrested upon his arrival in the coast city. Until his preliminary hearing yesterday Baggs was held under \$2,500 bonds.

## RAILROAD IS SUED FOR DAMAGES

Jesse Richards is suing the Oregon Short Line for \$450, claimed to be due for the killing of two horses at Arimo, Idaho, January 2, 1910. The complaint alleges that the horses were run over by a train operated by employees of the defendant company.

The case was taken up for trial before Judge Harris yesterday, the forenoon being taken up in securing a jury. Following are the jurors: Joseph A. Fife, H. B. Dance, J. B. Triunfo, Charles Aldous, William Forsington, William Lowder, J. W. Chambers, and Joseph T. Harrison.

The railroad company contends that the animals were trespassers and that the company was not at fault for the killing.

## SHERIFF'S MEN ARREST HOBOS

In response to a telephone message from the south-western section of the city shortly after midnight, Sheriff E. E. Harrison sent three deputy sheriffs to that section and a dozen hobos who had descended on the chicken coops and ice boxes of that district were arrested and lodged in the county jail.

For several days past that locality, adjacent to the Union Pacific tracks, has been infested with hobos, who are thought to have a camp in that section and therefore out of the jurisdiction of the city police. The intruders became so bold last night that the residents were forced to call upon the sheriff's forces for assistance.

## BLAIR MUST PAY WIFE \$4,500

In the divorce case of Julia C. Blair against Preston A. Blair, Judge Howell this afternoon rendered a decision, granting the plaintiff a divorce, the custody of a minor child, \$15 a month alimony for the support of the child, \$4,500 property rights and \$200 attorney fees, together with the costs of the suit.

The court stated that the money should be paid to a trustee appointed by the court, unless the parties could agree on a referee. The court also stated that the \$4,500 should be paid within a reasonable time, ten days, in cash or securities acceptable to Mrs. Blair and the court.

In rendering the decision, the court stated that while reputable attorneys had testified that the attorney in the case should receive \$500 for his services, the court felt that the witnesses, in their zeal to help their brother of the profession, had given their imaginations full sway and had placed the fee too high. The court thought a fee of \$200 sufficient.

When the attorneys were asked whether they could agree on a trustee, the attorney for the plaintiff stated that, unless overruled by his client, he would ask the supreme court to review and pass on the decision, intimating that he was not satisfied with the distribution made of the property. The attorney said that he thought it would not be necessary to appoint a trustee, as the matter would be taken to the higher court.
